

OFP002

Facestock/Coating

Pure ECF pulp paper, felt-marked on both sides, with a special treatment that ensures a high opacity in wet conditions.

Grammage	95 g/m ²	ISO 536
Thickness	135 μm	ISO 534-80

Adhesive

Water-based permanent acrylic adhesive. Good adhesion to wet surfaces at low temperatures. Especially designed for glass containers, with excellent resistance to immersion in water/ice.

Tack (N) Glass	14 N/mm	FTM 9
Min. Labelling temperature	+5 °C	
Usage temperature	-10/+75 °C	

Liner/Backing

White supercalendered glassine paper. There may be slight variations in tone.

Grammage	78 g/m ²	ISO 536
Thickness	67 μm	ISO 534-80

Printing & Converting

Suitable for printing in Flexography, Offset, Screen and hot-foil. Testing for suitability between media, printers and inks is always recommended prior to use.

Product recommendations

Specially designed for product labels of high added value bottled in glass (wine, liquors, oil, water,...). For small diameters applications pre-test are recommended. We recommend the reels to be wound with the face side out. The test of resistance to immersion in water-ice is carried out by sticking a blank(unprinted) label on a standard glass bottle. Five days after the label is stuck on, it is submerged in an ice bucket containing icy water for a minimum period of 4 hours and its resistance to immersion is checked.

Shelf life

2 years, under storage conditions as defined by FINAT section 2.5 (20-25°C, 40-50% RH). Prolonged storage at higher temperatures and/or humidity levels will shorten the shelf life of the product.

Warranty

The above technical information, statements and recommendations are based upon tests believed to be reliable but do not constitute a guarantee or warranty. All Tasco products are warranted to be free of defects in material or workmanship for a period of one year from date of shipment. In no way will Tasco be responsible for claims beyond the replacement value of the defective product or in any way liable or responsible for consequential or incidental damage.

No express warranties and no implied warranties, whether of merchantability or fitness for any particular use, or otherwise, except as set forth above (which is made expressly in lieu of all other warranties) shall apply to products sold by Tasco. Tasco specifically disclaims and excludes all other such warranties. No waiver, alteration, addition or modification of the foregoing conditions shall be valid unless made in writing and signed by a director of Tasco.
