Printing & Converting

Typical use is Wine, Spirits and Craft Beer. Suitable for printing in Flexography, Offset, Screen and hot-foil. Testing for suitability between media, printers and inks is always recommended prior to use.

Product recommendations

Recommended for high speeds labellings. Specially designed for product labels of high added value bottled in glass (wine, licquors, champagne, oil, water,...)

Shelf life

2 years, under storage conditions as defined by FINAT section 2.5 (20-25°C, 40-50% RH). Prolonged storage at higher temperatures and/or humidity levels will shorten the shelf life of the product.

Warranty

The above technical information, statements and recommendations are based upon tests believed to be reliable but do not constitute a guarantee or warranty. All Tasco products are warranted to be free of defects in material or workmanship for a period of one year from date of shipment. In no way will Tasco be responsible for claims beyond the replacement value of the defective product or in any way liable or responsible for consequential or incidental damage.

No express warranties and no implied warranties, whether of merchantability or fitness for any particular use, or otherwise, except as set forth above (which is made expressly in lieu of all other warranties) shall apply to products sold by Tasco. Tasco specifically disclaims and excludes all other such warranties. No waiver, alteration, addition or modification of the foregoing conditions shall be valid unless made in writing and signed by a director of Tasco.
